

# Fundraising with Scrip

## Gift Cards

Purchasing gift cards is an easy, convenient way to maximize our fundraising for SWS year round. Through the Development Office, SWS families purchase retail gift cards to pay for everyday purchases like gas and groceries or give as gifts. Using prepaid gift cards earns instant cash for SWS.

### How the Program Works

- SWS collects gift card pre-orders from community members and purchases the cards through the ShopWithScrip® fundraising program. We receive our order monthly. You come to the office to pay and pick up your order, then use the cards as you normally would.
- Or you can register online. With this method you receive your cards more quickly, have more flexibility when you order, and reduce paperwork.
  - You can buy traditional gift cards or ScripNow® eCards online.
